What is the Ecology Action Center?

Our Mission Statement: To inspire and assist residents of McLean County in creating, strengthening, and preserving a healthy environment. We have a walk-in environmental information and education center in downtown Normal for individuals, classes, programs, and meetings. Environmental groups in McLean County network here, hold board meetings, and coordinate county-wide activities. Our walk-in hours are Monday through Friday, 9 a.m. to 5 p.m. Weekend and evening programs are by appointment only.

Become a Member of the Ecology Action Center
