Dear McLean County Land Use Committee Member:

Please be advised that the request for facility siting approval, submitted to the McLean County Clerk on December 29, 2020 by Henson Disposal, Inc., has been withdrawn. This withdrawal of the request permanently halts the review process that was initiated in response to that request. At this time, no further information is available regarding whether or not another request might be expected. Please note that any future request would be processed as a new submittal, and would begin the process anew.

Sincerely

A handwritten signature in black ink that reads "Michael Brown".

Dear County Board and County Clerk:

On December 29, 2020, Henson Disposal, Inc., as Applicant ("Henson"), filed its Request for Siting Approval for a new pollution control facility, Solid Waste Transfer Station to transfer and recycle municipal solid waste at the Henson Disposal Center, with the County of McLean, Illinois. Henson, by this letter, withdraws its request for siting approval.

Please contact me with any questions or if you need any additional information.

Yours truly,
